**The Academy
That Makes a Difference**

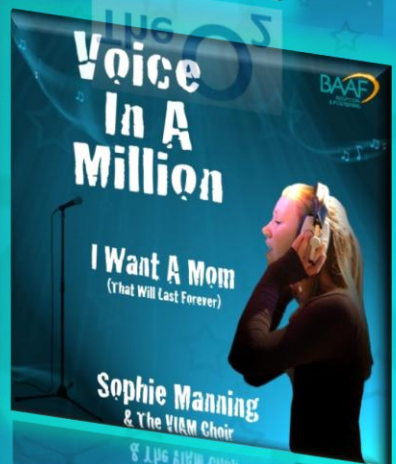

Voice In A Million

Welcome to The Voice in a Million Academy, The unique performance organisation that teaches children between the ages of 7 and 18 - Vocal - Recording - and - Live Performance - techniques.

With the highly popular Talent Television shows, X Factor and Britain's Got Talent, more young people than ever, are keen to learn how to sing and perform like their idols.

At the Voice in a Million Academies, our friendly and experienced teachers not only train the pupil to sing and perform correctly, we also give them the chance to participate in one or more of our four fantastic mammoth Arena Events, singing live to an audience of thousands;

In addition they will have the opportunity to take part in the many studio and recording sessions for our Voice in a Million downloads, singles and albums.

Voice In A Million

The founders and the staff of Voice in a Million are highly acclaimed for working with large groups of children with various degrees of talent. Our aim is to develop each individual's skills, whilst also injecting some fantastic fun and confidence-building at the same time.

The Voice in a Million Academy concentrates on teaching lead and harmony vocals for a range of new and classic songs. Members of the Academy will learn popular and classic songs in a variety of styles within a group environment, focusing on harmony techniques. They will be encouraged to audition for solo vocal parts, but only if they are confident enough to do so

We firmly believe that singing is an important part of a child's overall well-being. We are proud to have seen so many members develop both artistically and confidently over the time of their association with the Academy.

Voice In A Million

At least Four ARENA Events a year are performed by Voice in a Million choirs which are set to an extremely high standard. The most recent being 5,000 children performing Voice in a Million at the O2 Arena on the 28th January 2010. The live performances enable members to show family and friends the skills learnt throughout the year. It also provides them with the unique opportunity to sing and perform live in front of an extremely large audience, in prestige venues which are normally reserved for A - List artists. Each Voice in a Million Academy also stages its own local theatre show each year.

In addition to learning the Voice in a Million song list, we produce a number of theme related Children's albums each year and all members of the academy are encouraged to take part in the recording sessions

We are committed to ensuring we offer the right training to every individual. We therefore employ extremely skilled and experienced staff at each Academy. (all staff are CRB Checked)
